## Descripción

Contiene:

## DADOS

|              |          |           |  |
|--------------|----------|-----------|--|
| Mando (1/4") | 6 Puntas | 11 piezas | 4, 5, 5.5, 6, 6.5, 7, 8, 9, 10, 11, & 12 mm      |
| Mando (3/8") | 6 Puntas | 12 piezas | 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18 & 19 mm |
| Mando (1/2") | 6 Puntas | 11 piezas | 14, 17, 18, 19, 20, 21, 22, 24, 27, 30 & 32 mm   |

## DADOS LARGOS

|              |          |           |  |
|--------------|----------|-----------|--|
| Mando (1/4") | 6 Puntas | 9 piezas  | 4, 5, 6, 7, 8, 9, 10, 11, & 12 mm        |
| Mando (3/8") | 6 Puntas | 10 piezas | 8, 9, 10, 11, 12, 13, 14, 15, 17 & 19 mm |
| Mando (1/2") | 6 Puntas | 9 piezas  | 12, 13, 14, 15, 17, 18, 19, 21 & 22 mm   |

## DADOS DE IMPACTO

|              |          |          |                    |
|--------------|----------|----------|--------------------|
| Mando (1/2") | 6 Puntas | 4 piezas | 17, 19, 21 & 23 mm |
|--------------|----------|----------|--------------------|

## CHICHARRA CON DESCONEJIÓN RÁPIDA

|              |         |
|--------------|---------|
| Mando (1/4") | 1 pieza |
| Mando (3/8") | 1 pieza |
| Mando (1/2") | 1 pieza |

## DESTORNILLADOR PARA PUNTAS

|              |         |
|--------------|---------|
| Mando (1/4") | 1 pieza |
|--------------|---------|

## DADOS PUNTA TORX

|              |          |                                    |
|--------------|----------|------------------------------------|
| Mando (1/4") | 7 piezas | T10, T15, T20, T25, T27, T30 & T40 |
|--------------|----------|------------------------------------|

|              |          |  |
|--------------|----------|--|
| Mando (3/8") | 8 piezas | E8, E10, E11, E12, E14, E16, E18 & E20 |
|--------------|----------|--|

#### DADOS PUNTA TORX DE SEGURIDAD

|              |          |                                    |
|--------------|----------|------------------------------------|
| Mando (1/4") | 7 piezas | T10, T15, T20, T25, T27, T30 & T40 |
|--------------|----------|------------------------------------|

|              |          |   |
|--------------|----------|---|
| Mando (3/8") | 6 piezas | T-10H, T-15H, T-20H, T-25H, T-30H & T-40H |
|--------------|----------|---|

#### EXTENSIONES

|              |          |                          |
|--------------|----------|--------------------------|
| Mando (1/4") | 2 piezas | 2" (50 mm) & 4" (100 mm) |
|--------------|----------|--------------------------|

|              |          |                           |
|--------------|----------|---------------------------|
| Mando (3/8") | 2 piezas | 3" (76 mm) & 10" (154 mm) |
|--------------|----------|---------------------------|

|              |          |                            |
|--------------|----------|----------------------------|
| Mando (1/2") | 2 piezas | 5" (127 mm) & 10" (154 mm) |
|--------------|----------|----------------------------|

#### ADAPTADOR DE PUNTAS

|              |         |  |
|--------------|---------|--|
| Mando (1/4") | 1 pieza |  |
|--------------|---------|--|

|              |         |  |
|--------------|---------|--|
| Mando (3/8") | 1 pieza |  |
|--------------|---------|--|

#### JUNTA UNIVERSAL

|              |         |  |
|--------------|---------|--|
| Mando (1/4") | 1 pieza |  |
|--------------|---------|--|

|              |         |  |
|--------------|---------|--|
| Mando (3/8") | 1 pieza |  |
|--------------|---------|--|

|              |         |  |
|--------------|---------|--|
| Mando (1/2") | 1 pieza |  |
|--------------|---------|--|

#### DADO PARA BUJÍAS

Mando (3/8") 6 Puntas 2 piezas 16 & 21 mm

#### ADAPTADOR DE 3/8"H A 1/4"M

Mando 3/8" Mando 1/4" 1 pieza

#### ADAPTADOR DE 3/8"H A 1/2"M

Mando 3/8" Mando 1/2" 1 pieza

#### ADAPTADOR DE 1/2"H A 3/8"M

Mando 1/2" Mando 3/8" 1 pieza

#### LLAVES COMBINADAS DE ACABADO CROMADO PULIDO

10 piezas 8, 9, 10, 11, 12, 13, 14, 17, 18 & 19 mm

#### LLAVES COMBINADAS TIPO RATCHET

3 piezas 12, 13, & 14 mm

#### LLAVES HEXAGONALES LARGAS MÉTRICAS

Hexagonal 9 piezas 1.5, 2, 2.5, 3, 4, 5, 6, 8 & 10 mm

#### DESTORNILLADORES

Estandar 1 pieza 1/4" x 1-3/4" (6 x 45 mm)

Estandar 1 pieza 1/4" x 4" (6 x 100 mm)

Phillips 1 pieza #2 x 1-1/2" (#2 x 38 mm)

Phillips 1 pieza #2 x 4" (#2 x 100 mm)

#### PUNTAS

Estandar 4 piezas 3, 4, 5 & 6 mm

Phillips 2 piezas #1 & #2

## PUNTAS POZIDRIVE

Pozidrive 2 piezas #1 & #2

## ALICATE DE COMBINACIÓN TIPO FORD O CHOFER

1 pieza 8" (203 mm)

## ALICATE DE PUNTA LARGA

1 pieza 6" (152 mm)

## Additional Information

|                        |                                     |
